

September 2nd 2017 Regular Club Meeting Notes

Attendance:

Joe Kapraun Dan Logan Kermit Ruble

Sam Samuelson Gary Radabauh

Dan Moorhead Bob Pitts

Glen Moorhead Don Jones

Meeting called to order by Joe Kapraun.

Sam Samuelson gave the Treasurers report: The club still has sufficient funds at this time.

New Business

- **Honorary Club Members:**

The club voted to make the following two youngsters honorary club members:

Jole Weaver (Don Jones Grandson)

Sofia Rummer (Larry Smiths Granddaughter)

- **Fun Fly-In**

We discussed using crape paper to tie down the helium balloons instead of string so that our planes would not get caught up in the string

- **Maintenance**

Trailer Floor:

We discussed the trailer floor and that we might consider laying down some indoor outdoor carpet over the existing tiles. We may need to take up some of the more damaged tiles, but leave the rest down. Joe Kapraun will check on costs for the carpet:

After checking at Lowes, there are three types of carpet we can get (Good, Better, Best)

The cheapest will cost approximately 167.00 to cover the area in question

The Best quality will cost a little over 320.00 with the Middle grade carpet falling between these two costs.

We can get a custom cut sheet but it will be 12' wide, but we can get whatever length we need.

Trailer Porch Floor:

The trailer porch needs another sheet of plywood put over the top as the current sheet is getting pretty weak, and I'm afraid someone might fall through it.

Drive way Top:

The top of the driveway needs graded as the gravel, etc has flowed down to the base of the hill and needs pulled back up again. We might check with some of the rental places around to see how much it would cost to rent a piece of

equipment to do this. If anyone sees the farmer, they might ask him if he has something that would do the job for us.

- **Club T-Shirts**

The club T-shirts are done and ready to be picked up. Thanks to Gary Sinclair! Those of you that ordered a club shirt, please pick it up and pay the club back.

The shirts cost \$13.00 ea.

Thank you Gary for your donation of time and money to this effort.

- **Club Christmas Get Together**

Joe Kapraun has arranged to have a room at the Golden Corral for our annual Christmas Dinner. It will be on the first Saturday in December (Dec 2nd) at 5:30pm to 8:00pm . Each member will pay for his own dinner. When you get there just ask where the Blennerhassett Area RC Club is meeting at.

The meeting came to an end.
