

September 1st 2018 Regular Club Meeting Notes

Attendance:

Joe Kapraun Bill Berry

Sam Samuelson Dan Moorehead

Gary Sinclair Dan Logan

Meeting called to order by Joe Kapraun.

Sam Samuelson gave the Treasurers report: The club still has sufficient funds at this time.

- **Club Christmas get-together**

The club will have its annual Christmas get together at the Golden Corral in Parkersburg on Saturday December 1st at 6:00pm. A room has been reserved for us. Club members will pay for their own meals. When you get there just ask them where the Blennerhassett Area RC club is meeting. Come on out for this, we look forward to seeing you there.

- **Frozen Finger Fly-In**

Don't forget to come out for the Frozen-Finger Fly-In this year which is always held on New Years Day. Bring a soup or some snack to share, a plane to freeze your fingers off trying to fly, and enjoy the fellowship of other club members.

- **Sanctioned events for 2019**

The club will keep the same dates for the Sanctioned events for 2019 as we had this past flying season.

These dates will be as follows:

Spring Fly-In: Saturday June 1st 2019

Fall Fly-In: Saturday September 28th 2019

Joe Kapraun and Larry Smith will get these events scheduled with AMA

- **Maintenance Activities**

Dan Moorehead has fixed the clutch on the mower. Thanks Dan! 😊

- **Things that need done**

During the meeting the following items were discussed.

1. The club needs a new Wind-Sock. The current one we have is in pretty bad shape. Joe Kapraun will check into this.
2. The American Flag down at the field will need replaced soon. Sam will take care of this.
3. We will need to extend the shelf where the old generator sat. Then we can put our current generator on it and get it off the floor. This way, it will be safe from flood waters.
4. The propane tank outside of the trailer needs to be filled. It is pretty empty. We discussed only getting it half filled at this time since it is so costly to get it completely filled. The small propane tank in the trailer should probably be checked also, as we use this as a heater also during winter club meetings.

The meeting came to an end.
