

May Meeting 2023

In Attendance : Bill Berry, Lou Ann Berry, Joe Kapraune, Gary Radabaugh, Dan Morehead, Jim Crider, Dale Hubbard, Sam Samuelson, Ralph Newell, Gary Church, Gary Sinclair, Kermit Ruble

Called to order by Bill Berry.

No Secretary report to read.

Sam Samuelson read the treasure report and the club is in good standing.

OLD BUSINESS; Gold club pins are on order, Model Aviation day is August 12th, No word from AMA on our FRIA status as of yet.

NEW BUSINESS; UPDATE !! ! The AMA contacted Lou Ann Berry on 5-10-2023 to have our field mapped out for the FRIA application process. So now we wait for AMA to get there end processed and get back to Lou !

Lawn sweeper is now in fuel shed, Jim Crider has stepped up to help Dan Morehead with field maintenance AKA mowing,

Need a work day to clean out shed and trailer. Will need some one with a trailer to hull trash to dump. We voted on cleaning both after our business meeting in September.

Talked about our Tank mower getting worn out and think about getting a new mower next year IF our mower makes it till then. Bill Berry talked to Ohio Valley Cub dealer, a new Cub close to ours will be in the ball park of \$14000 to 15000 . Talked about splitting up the payment between ta least 12 members for a monthly amount of apx \$35.00 each but we would need a firm commitment to make this work and as we all know NO MOWER means no field maintenance, no flying. WE WILL need to see about the AMA's flying sight improvement grant to help with the purchase.

Reminder Joe's fly-in is coming up on June 3rd and we need help with field preparation on Friday around noon time.

Bill's fly-in is for the BVFD benefit on July 22nd and need help with the field also.

Talked briefly about getting a used shipping container to replace club's trailer and equipment shed but it was stated we need a mower first and foremost !

If any member knows another member not receiving my text messages to let Bill or Lou Berry know and feel free to give them my PH# 740-525-3733 so Bill can add them to the list
